

You need:

- set of small 1 – 10 number cards

6 times-table cover up

 A game for 1 playerNo Pens Day
Wednesday28 September
2011

- Shuffle the cards and place them face down in a pile.
- Turn over the top card.
- Multiply the card number by 6.
- Cover up the answer with the number card.
- Keep going until every box number is covered up.
- Now remove one number card at a time, but before doing so, say what the number on the box will be.
- Play the game several times. Aim to get quicker each game!
