Reverend Nathaniel's welcome

Summer always seems to pass much to quickly. One minute is seems the sun is just coming out, things quieten during August and holidays begin, the next minute September has come round again, the business of a new school year, the preparations for Christmas begin and never stop.

It can be easy to end up looking forward to what is about to come or what we may hope for, or fear. It can be easy to look back at the year that has passed, the joys we have had, the trials faced. In doing so we can easily lose track of the present, and have the summer pass even quicker. While it is important to plan for the future, and to learn from the past, we are creatures of the present. It is in the present that we take action, make choices and change, informed by our past and shaping the future.

In his magnificent book The Screwtape Letters (if you have not read it, do, it is both funny and thought provoking), C.S. Lewis writes that "The Present is the point at which time touches eternity". In the present we are most ourselves, in the present we are most open to God and when we can connect, meet and love each other. As summer comes to an end it becomes important to look ahead, to plan the next academic year, the events coming up, to look to Christmas and beyond. It is also tempting to look back, to get lost in memories and joys and holidays we have had. Let us not forget to focus on the present, the here and now. In looking at the present even the everyday can become magnificent, and only in looking at the now and where we are, can we deal with the challenges we may face.

Mission Weekend

One of the great callings of our faith is to offer welcome and community. While we do this very well at our Sunday services and regular social events, we will be do a special event on Saturday the 12th September. On this day we will be joining with almost all the other parishes in our Diocese to do a Mission Weekend, a weekend of welcome and invitation to our Benefice and community.

For our benefice we will be doing three events, one at each of our Churches, with a walk between them to join the events together.

The day will start at Mellor at 10am with a Coffee and Cake morning and an accompanying craft of making pilgrim/prayer stones. We will then leave to walk to Balderstone at 10.45/11am

At Balderstone there will be a sandwich lunch and an accompanying craft of making God's eye, people are invited to arrive for about 12.15. We will then leave to walk to Samlesbury at 13.00/13.15

At Samlesbury there will be afternoon tea and ice-cream with an accompanying craft of making a collage image of the church from things found in nature/the area

People are welcome to come to as much as they want or can. If you don't want to or don't feel up to the walk, please join us just at each church. If you can only come to one of the events in the day, come to that one.

We are asking church members to extend an invitation to someone outside of our congregation (neighbour, friend, family member, someone).

Alongside the day itself, to celebrating the beauty of our Benefice we are doing a photo competition with Under 18 and Over 18 categories. There are 3 submission categories of:

1) Church
2) Animals and Wildlife
3) Landscapes.

Submissions to be sent to Rev. Nathaniel electronically by Friday 18th September.

Winners will be put into a 2027 Benefice Calendar that will go on sale towards the end of the year.

Small Change Matters

As you will be aware, we collect your small change and we use it to support overseas missions. We have recently sent a donation of £50 to the Montgomery Heights Children's Christian Care Centre in Zimbabwe. The Foundation relies on donations of funds and resources to care for the children. Here is a resume of the care they provide.

Jean Freeman

Montgomery Heights Christian Care Centre in Zimbabwe

We help to provide a family home caring for some of the most vulnerable children in Zimbabwe who have been orphaned through tragic circumstances.

Your support makes it possible to transform lives.

Montgomery Heights relies on donations of funds and resources to care for the children.

We need help to maintain and upgrade our facilities, and to continue to provide food, clothing, education and appropriate medical care for every child we look after.

An excerpt from a recent newsletter from Fiona who is the resident nurse.

“We have received two new additions to our family, Ruvarashe aged approximately 3 years. She has settled well and is a very spirited little girl despite her rough start in life. She is in the baby unit and has just joined our preschool class. Then last week we received a baby girl who was just 5 days old. She has been named Tanatswa which means I have been purified or made beautiful. What a great name! She has had a few problems since she came but is now doing well, gaining weight and feeding well. She certainly has a good pair of lungs and lets us know if she is not happy.”

Please remember them in your prayers.

Without your gifts of your small change, we would not be able to support charities that rely so heavily on gifts and donations. They are much appreciated by all. Thank you.

Balderstone Social Committee

We have all enjoyed a wonderful month of Open Gardens!

Over the last few weeks, 7 gardens around our Benefice have been opened with the opportunity for us all to get together and enjoy refreshments in some beautiful surroundings in the amazing sunshine! We have enjoyed morning coffee, a barbeque, afternoon tea and lots of cake and even helped Balderstone School Gardening Club pick tomatoes and dig up their potato harvest!

A huge thank you to everyone that hosted. We know how much hard work goes into every Open Garden. The funds raised will be split between Parkinsons UK and Church funds, our final total is yet to be confirmed.

Dates for your diary:

- Harvest Supper - Thursday 1st October at 7pm – all welcome for our service in church followed by supper in school.
- Candlelit Brass Band Concert – Sunday 29th November at 6.30pm at Balderstone Church
- Balderstone Christmas Fair – Saturday 5th December at 2pm at Balderstone School

Mellor St. Mary's

Mellor Mothers' Union

Our meeting was opened and hosted by Rita Gorman who gave prayers and extra thanks for all who attended the 150th celebration service at Blackburn Cathedral.

Rita welcomed our special guest speaker Marion Lofthouse (née Poynton), a national netball legend and champion who captained and coached the England netball team in the 1960s.

Marion's story starts at Roe Lee Primary school and where her sports achievements were first noticed and one of the members in the audience, Betty, a school classmate, confirmed Marion was 'very hard to beat at sports'. Moving on to St Hilda's Secondary school, netball became Marion's passion.

By 1964 and whilst working, Marion played for Lancashire, in 1965 selected for England and in 1966, at the age of 25 reached the status of Captain.

1967 saw the beginning of a world tournament taking in Australia, New Zealand, Honolulu and San Francisco. At that time in sport you paid to be part of a team rather than being paid for it so Marion's mother set about raising the £200 needed for the cost of the world tour and started by baking and selling cakes. Being away twelve weeks, it included thirty eight internal flights, visiting every state in Australia (except Queensland). Marion displayed photos showing the team in different locations such as Mount Gambier, the Sydney Harbour Bridge, Brisbane, Tasmania and New Zealand where they played a team of Maori players. England came fourth in the world championships, Australia coming first. Marian had also brought a team member along with her, another legend, June Steele BEM, who supported and added to the wonderful stories.

Netball became a professional sport rather than amateur one and Marion moved into coaching and was then paid, however in 1970 decided to retire. This was until 1974 when called back to play against Jamaica at the age of 38 and actually took her 4yr old son along with her. 1978 saw her face Trinidad and Barbados, sponsored by Johnsons, and carried on with coaching and doing work with Blackburn Independents.

As the meeting came to a close, Margaret Baldwin introduced her cousin, Jean Hudson, who she had brought along to be reunited with Marion and June having had played for Lancashire with them for many years. Over tea and biscuits they shared lovely memories of their past accomplishments in a happy reunion.

Now Marion is settled in the Ribble Valley, still doing walking netball and Rita Gorman gave huge thanks to her on our behalf for sharing her extraordinary life stories along with June Steele BEM.

Little Angels

An afternoon at George and Clemmie's farm was enjoyed by some of our little angels and friends. Butterfly bracelets were made, tractors coloured, calves admired, games played on the field, then delicious ice creams were tasted.

Thank you to mum, Helen and grannie Grace and, of course, George and Clemmie for a very special and happy afternoon down on the farm.

Choir Dinner

Our Choir Dinner planned for Wednesday, July 1st was brought forward to Tuesday, June 30th to accommodate THE FOOTBALL --- a good result ---so all well.

23 of us enjoyed a lovely meal at our local establishment The Millstone Hotel. Margaret read out a poem she had written about various members and gave out two quizzes. I was glad that I was sat next to Jasper's mum Claire.

Our thanks go to Margaret and George for keeping us all singing from the same hymn sheet---(Well some of us?)

Thank you, Margaret, for once again organising a memorable evening.

Choir practice re-commences on Wednesday 9th September at 6:30pm at St Mary's Mellor.

Annual Barbeque

As over 342 million people in the United States of America were gathering together, ready to celebrate the 250th Anniversary of the Independence of that country on 4th July, another group of over 60 people was gathering together on 3rd July at the home of David Wain to celebrate St Mary's Annual Barbecue – not yet the 250th!

On an evening of warm and mainly sunny weather an evening of chat, reminiscing and general good humour was enjoyed by everyone.

On arrival, having shown our tickets the crowd moved on to buy raffle tickets for the draw later in the evening. Then on to the bar where drinks were available.

In one corner of the garden our Michelin starred chefs were already busy preparing food for the main course of the evening and the salad bar was groaning under the weight of all the additions needed for a barbecue. In the house another of our wonderful chefs was preparing a lovely sweet of strawberries, cream and meringues.

Once everyone had eaten, our intrepid travelling vicar Nathaniel, thanked everyone who had worked so hard to make the event happen in such a successful way, together with everyone who had supported the event.

Nathaniel had only returned earlier in the day from visiting family in the USA and officiating at the marriage of one of his cousins. Rumour has it that President Trump, in his usual way of wanting everything in the US to be best, had wanted Nathaniel to stay for the celebrations on the 4th July, but unlike the FIFA president Gianni Infantino, Nathaniel had been able to say "No".

So, before jet-lag finally overcame him, Nathaniel brought the evening to a close by starting the draw, after which everyone returned home very happy.

The evening raised £1,187 so a huge thank you to everyone.

Sundae Service

God's wonderful creation was the theme of our latest Golden Opportunity service held at Mellor school. It wasn't quite 'pleasant Summer sun' as we sang 'All things bright and beautiful', but we were very cosied up in our outside classroom where we held our worship offering. Mrs. Embley Peers read some verses from Ecclesiasticus Chapter 43. This describes the majesty of God's creation. (It's well worth reading the whole thing if you can spare a few minutes!) The creation theme continued in Nathaniel's talk. We were all intrigued when he produced a bowl, a whisk and a variety of food ingredients. However, it soon became clear that, right before our very eyes, and with the help of a few enthusiastic young volunteers, he was going to create some ice cream! And in a simple but effective way, Nathaniel related this mixing of ingredients to the way in which God has created our world, and all that is in it.

Activity time followed worship. There was a 'Scavenger Hunt' and making 'Creation Buntings'. And whilst all this was going on, we were treated to ice cream and Pimms! Meanwhile, churning away in Classroom 4 was Nathaniel's homemade vanilla ice cream. Would it thicken in time? was the question on everyone's lips. And it did! (Well just about). And I can tell you that it was absolutely delicious!

Thanks must go to the Worship Committee members for making it all happen, Helen from George and Clemmie's farm who kindly donated the ice cream and everyone who joined us for a lovely celebration of God's glorious creation.

Mothers' Union Outing

It was a sunny day for the Mother's Union annual outing which took place on Tuesday 14th July 2026. Members arrived, happily without coats, to board the Little Green Bus which was promptly waiting at the church gate at 10.15 am and we set off through the village to join the motorway to an 'all-time favourite place', Lytham. One of our leading members, Margaret Ashton, had very recently suffered an accident and couldn't make it and everyone wished her well and said they would miss her.

Lunch wasn't an organised event this year so everyone had different plans and the coach was buzzing with different named restaurants and cafés to try out. Some members decided on Zest and some on Chell's and also Ego to name but a few. The weather only got better and hotter so ice creams and coffees were also entertained. Hats were purchased and people headed for a visit to the very elegant and stylish clothes shops which Lytham boasts. It was delightful to walk around the mixture of different

individual shops and wave to fellow members as we passed each other by on the main street carrying our purchases.

Time went in a flash, and everyone managed to reach our rendezvous place on time to meet our coach for the trip home. A 'hurrah' went up when all members were accounted for so the coach pulled away to start our return journey. Conversations were aplenty on what an enjoyable day we'd had, what we had eaten, what we had bought and done.

Rita Gorman kindly said thank you to the organisers, Pam Jackson and Christine Redman and also to all the members for coming along. It was a really special day and in the words of one person "quite a perfect day out".

Mothers' Union Cathedral Visit

Saturday, August 8th Mellor M.U. members attended a wonderful, thought-provoking Celebratory Service at Blackburn Cathedral led by the Rt Revd Philip North, Bishop of Blackburn.

Sunday, August 9th, Mary Sumner Day, Mellor M.U. celebrated a service prepared by Margaret Ashton and led by Rev Nathaniel Gilmour at 4p.m.

Twenty-nine members attended and enjoyed a drink and fellowship in the Narthex after the service.

The 150th Anniversary Display of photographs, information and beautiful arrangement of blue and yellow flowers from Di Ibbotson, was put together by Rita Gorman and Margaret Baldwin.

The Card Ladies

This month we have donated £25 to Meningitis Now. We have also supported Little Angels on their recent Fun Day at George and Clemmie's farm, where it appears a good time was had by all!

Once again thank you, as always, for your support, without which we would not be able to make our donations. If you have any particular charity you would like us to support, please let us know. All our donations are made at the suggestion of you!

St Leonard the Less, Samlesbury

St. Leonard The Less church garden party highlights

This year's Garden Party was a joyful community celebration filled with laughter and sunshine. Paul and Pam Daunton kindly opened the proceedings, and whose warm welcome set the tone for the day.

Festivities began with the traditional crowning of the new Rose Queen, Mia Hodgson and soon the ever-popular barbeque was doing a roaring trade together with delicious home-made cakes, teas and local ice cream. The hall & field were filled with stalls, plants, games and activities for all ages. Traditional favourites such as Tug of War and Races – with prizes for every child – brought plenty of excitement and cheering.

A standout highlight was the brilliant display of entries from Samlesbury School created under the theme "God's Creation." The children's imagination and creativity were admired by everyone - well done all of you.

A heartfelt thank you to those who supported the event and to our volunteers whose hard work and enthusiasm made the day such a success.

Music and Cream Tea in the Garden

The weeks of summer sunshine had given us time to prepare plenty of shaded areas for our guests but at the last moment a steady drizzle set in. Thankfully the tentage came into its own, turning what could have been a damp setback into a cosy gathering. Smiling guests were welcomed with drinks and the music, generously provided by the duet "Too Much," began lifting spirits and setting a warm, cheerful atmosphere.

At the interval, the rain eased and guests were treated to a wonderful spread of tea, home-made biscuits and delicious scones generously topped with cream and strawberries. As the day brightened, everyone enjoyed the chance to mingle, chat and savour the simple pleasure of sharing food together.

Our special thanks go to saxophonist John and singer Tracey for their wonderful programme of music and to the many volunteers who gave their time so generously to make this such a very happy day. Their kindness and enthusiasm ensured that – even with the summer rain – Samlesbury's Music and Cream Tea in the Garden was a joyful success.

Samlesbury Area Civic Society

The Civic Society would like to confirm that the society will again be selling our home-grown tomatoes from the little table next to the Memorial Hall. This year we have extended our range of tomatoes and also confirm that they will be sold at the same price as last year, (only £1.50 per plant.)

As last year all the sales of these plants will go to help us run the community garden and make the hanging baskets around the Hall. It is only with your help that we can continue to do this.

Should anyone want to come and help us, please contact John Evans 07962 121 678 or John Greaves 07910 235 256, when you would be made very welcome.

Entry forms are available in local shops.
